ABOUT ME

In this competitive world, I strongly believe that gaining experience by taking on challenges, learning about various topics, improving skills, and most importantly staying involved with creative works are essential. Life is like a race, and these facilities will give me the strength to keep on track. Therefore, I am actively seeking creative job opportunities that will help me showcase my talents and express what I have learned throughout the years.

WORK EXPERIENCE

Outlier 2025- PRESENT

AI Trainer

Outlier is a remote working platform. I work as an AI trainer there, which helps me develop my analysis, creative thinking, and writing skills.

CASTLE DESIGN 2024- PRESENT

Social Media Manager

Castle Design is an interior design firm. I work from home as their media manager, which is helping me improve my management, digital marketing, and communication skills.

Seed to BIG 2021-2022

Divisional Community Representative

Seed to BIG is a Bangladeshi NGO. I supervised a team that was responsible for inviting and promoting the NGO to others. Additionally, I worked in the monthly magazine department. My time at Seed to BIG helped me improve my networking, communication, and time management skills.
